

# Bloom Bakers Club — Parent Document Package

**Little 8 Bloom LLC, a Georgia limited liability company, doing business as Little 8 Bloom Baker Club ("the Club", "we", "us").**

This packet contains every form a parent or legal guardian must review, complete and sign before a child participates in the Bloom Bakers Club. Print it, complete it, and bring it to your baker's first meeting or email it to [angel@little8bloom.com](mailto:angel@little8bloom.com).

**Legal notice:** This document package is provided as a starting template for Club families and is not legal advice. Georgia law limits what may lawfully be waived, and no waiver excuses gross negligence, reckless conduct or intentional wrongdoing (see O.C.G.A. § 1-3-7).

- This release does not apply to gross negligence, reckless or willful misconduct, or intentional wrongdoing, and does not waive any right that may not lawfully be waived under Georgia law, including O.C.G.A. § 1-3-7.
- I agree that this waiver is governed by Georgia law and that venue for any dispute lies in the county where the Club operates.

## 7. Privacy Notice and Online Registration Consent

### What we collect and why

- Parent contact details, child's first name and age, chapter choice, birth month and year, allergy and medical information, emergency contacts and pickup authorizations — used to operate the Club safely.
- Payment records — used to process dues and joining fees.
- Website analytics — collected only if you accept analytics cookies in our cookie banner.

### Who can access it

- Club leadership and designated staff or volunteers with a need to know.
- Service providers we use to run the Club: our website and database host, Shopify (merchandise orders), PayPal (payments), our email delivery provider, and Google Sheets/Analytics.
- We do not sell personal information or share it for third-party advertising.

### Retention and your rights

- Membership records are retained while the child is enrolled and for up to three years afterward, or longer where required by law or insurance.
- Parents may request access to, correction of, or deletion of their family's information by emailing [angel@little8bloom.com](mailto:angel@little8bloom.com).
- We respond to verified requests within 30 days.

### Children's privacy (COPPA)

- Registration must be completed by a parent or legal guardian, not by the child. Children may not create accounts or submit their own information.
- COPPA generally requires verifiable parental consent before a child-directed service collects personal information from children under 13. By signing this package, the parent provides that consent for the information described above.
- A parent may withdraw consent and request deletion of the child's information at any time; the child's membership may end as a result.
